

SKIING AT XSCAPE

Dear Parent/Guardian,

We would like to invite the members of our Saturday Night Youth Group to join us on a skiing trip to Xscape, Castleford on **Saturday 24th February 2018**. We hope everyone will be able to make it.

We will need to meet promptly at church for **1.45pm** to allow time for travel and for getting ready to ski. There will be 1 hour actual time on the snow and we plan to be back at church at around 6.00pm.

The cost will be £10 per person which should be paid in full as soon as possible. Please also send your child with money to eat out afterwards.

Warm, waterproof clothing, hats and gloves **MUST** be worn whilst skiing. No bare arms. **You will not be permitted to ski without gloves!**

If you need any further information about the trip please call Gerard on 01302 364146 or via the Whatsapp group.

Note: The medical profession takes the view that a parent's consent to medical treatment cannot be delegated. This view is explicit in the Children Act 1989. Thus medical consent forms have no legal status and a doctor/nurse insisting on the consent of a parent to particular treatment has the right to do so. For this reason, we do not recommend that Leaders insist on parents signing the statement above. At the same time, it can be a comfort to medical staff to have general consent on advance from parents or to have a Leader on hand able to sign forms required by the medical authorities.
